### VisionMaster Net Software Modification

Dear Mr Sibia,

TÜV SÜD Danmark have reviewed the submitted documentation covering the modification of the VisionMaster Net Software and are satisfied that the related products remain in conformity with the relevant community harmonisation legislation described in the Marine Equipment Directive 2014/90/EU of the European Parliament and of the Council and Commission Implementing Regulation (EU)2020/1170 of 16<sup>th</sup> July 2020. The equipment covered by the Module B certificates listed below will continue to be compliant with the MED requirements, as listed on the associated Module B Type Approval Certificates, when using this software version.

Module B Reference No.	Certificate Issue No.	Annex Issue No.	Product Type
DK-MED000131	01	01	VM Net CAT1 Radar
DK-MED000132	01	01	VM Net ECDIS
DK-MED000133	01	01	VM Net ECDIS with Track Control

The current applicable software version is shown in the table below.

VisionMaster Net Software	Version 1.0.2
---------------------------	---------------

TÜV SÜD Danmark (2443) will keep a record of this change in the relevant Technical Files for the above listed products.

Yours sincerely

Tom Twynam  
TÜV SÜD Danmark Technical Certifier
